9-Point Factory Vetting Checklist

Yoga mats & fitness equipment · sourcing from China · fill this in **before you wire a deposit**

1 **Factory or trader?** Business licence scope says 制造/生产 (not only 批发零售) · live video from the floor at 10:00 China time, same day · names its own lines & daily output. ☐ verified

2 **MOQ in three scenarios.** Rule of thumb: stock colour + laser logo 100–200 · custom Pantone + custom size 500+ · full-colour print 300+.

Stock+laser _____ Custom Pantone _____ Full-colour _____

3 **Spec written as density + gram weight, not just thickness.**

Density _____ g/cm³ Weight _____ g Tolerance ±5 mm length / ±3 mm thickness ☐ in writing

4 **Pre-production sample tested (7–12 days).**

☐ dry grip ☐ wet grip (spray bottle) ☐ 48 h sealed-bag odour ☐ 24 h lies flat ☐ weighed vs spec ☐ fold crease ☐ **signed golden sample kept**

5 **Certificates match your market & your product.**

☐ REACH SVHC (EU) ☐ EN71-3 (kids) ☐ CA Prop 65 (US) ☐ GRS + transaction certificate (recycled claim) ☐ report shows my spec + date

6 **Timeline confirmed in writing.** Expect 7–12 d sampling + 25–35 d bulk + 25–40 d ocean = 60–90 days total.

Sampling _____ d Bulk _____ d Freight _____ d

7 **Landed cost compared, not unit price.**

EXW _____ FOB _____ DDP _____ pcs / 40HQ _____

8 **Inspection before you pay the balance.** AQL 2.5 / 4.0 · inspector ≈ US$200–300/day.

☐ third-party booked ☐ 3 pcs pulled from the actual batch ☐ carton photos ☐ print checked vs Pantone

9 **Terms & tooling.** ☐ 30% deposit / 70% after inspection ☐ tooling & mould ownership stated on the PI ☐ batch traceability after shipment

STOP SIGNS — ANY ONE OF THESE MEANS WALK AWAY

- × Refuses a live video call in China working hours
- × MOQ doesn't move when you offer stock colour
- × Certificates with no product spec, no date, wrong company
- × Won't put tolerances in writing
- × Demands 100% payment upfront
- × Answers every technical question with "yes" and no number
